Valuable Medicinal

Constitution Life Syrup

HAS PRODUCED

A REVOLUTION IN MEDICINE! What may seem almost incredible, is, that many diseases hitherto considered hopelessly incurable are frequently cured in a few days or weeks, and we cheerfully invite the investigation of the liberal minded and scientific to cures which have no parallel at the present day.

Our medicine is peculiar; by it the seat of any disease is directly reached, and the equilibrium restored.

disease is directly reached, and the options stored.

Those who have suffered long from painful and obstinate diseases; Those who have vainly sought relief from advertised medicines; Those who cannot be cured by other physicians—

Are Invited to Use Constitution Life Syrup.

During the past five years we have contended with obstacles and overcome opposition as heroulean as were ever encountered by any reformers. RAPIDITY OF CURE.

Some say, "Your cures are too quick," while others doubt their permanence, and think that diseases can only be cured by the "slow recuperative process of Nature."

This is our reply: In health, the body, like a well balanced scale, is in a state of Equilibrium. But when, from any cause, down goes one side of the scales, we have the effects of disease. What is requisite is, to restore the normal balance of the scale.

Constitution Life Syrup,

A positive and specific remedy for all diseases originating from an IMPURE STATE OF THE BLOOD, and for all (hereditary) DISEASES transmitted from PARENT TO CHILD. PARALYSIS.

Hemiplegia. Paresis Paraplegia. Paralysis Agitans.
It is so universally admitted that Constitution Life
Syrup is the only effective means of restoration in
the various forms of Paralysis, that we need not retierate that it is emphatically the Great Life-Giving
Power.

DYSPEPSIA. Indigestion. Liver Complaint, Weight at Stomach. Constipation. Biliousness. Want of Appetite. Flatulence. Bad Breath. SCROFULA.

Strums. Glandular Swellings. Ulceration. King's Evil. Erysipelas. Salt Rheum. This taint (HEREDITARY and ACQUIRED), filling life with untold misery, is by all usual medical remical remedica incurable.

RHEUMATISM.

Arthritis.] Lumbago Neuralgia. Gout. Sciatica. Tie Douloureaux. Lumbago Sciatica. The Douloureaux.

If there is any disease in which the Constitution
Life Syrup is a sovereign, it is in Rheumatism and
its kindred affections. The most intense pains are
almost instantly alleviated—enormous swellings are
reduced. Cases, chronic or vicarious, of 20 or 30
rears' standing, have been cured by us.

NERVOUSNESS.

Nervous Debility. Shattered Nerves. Epilepsy. St. Vitus's Dance. Loss of Power. Confusion of Thoughts. Thousands who have suffered for years will bless the day on which they read these lines. Particularly to weak suffering women will this medicine prove an inestimable blessing—directing their footsteps to a Hope which fulfils more than it promises.

MERCURIAL DISEASES.

alivation. Rotting of Bones. Bad Complexion Aches in Bones. Feeling of Weakness. Depression of Spirits.

Eradicates, root and branch, all Eruptive Diseases the Skin, like ULCERS, PIMPLES, BLOTCHES And all other difficulties of this kind, which so much disfigure the outward appearance of both males and females, often making them a disgusting object to themselves and their friends.

CONSTITUTION LIFE SYRUP Cures all Swelling of the Glands,

CONSTITUTION And the onlyknown Remedy

DIABETES and DISEASES of the KIDNEYS and BLADDER.

CONSTITUTION WATER Has been pronounced by the Medical Faculty and the public, to be the most wonderful remedy for the per-manent cure of all diseases of the STOMACH, LIV-ER, KIDNEYS and BLADDER that has ever been

ER, KIDNEYS and BLADDER that has ever been offered.

It is not a MINERAL WATER. It is from experience that CONSTITUTION WATER has emenated, and we now say let no man doubt, when a single bottle has been known to care diseases which the best medical talent in the country failed to relieve. A remedy possessing the virtues of Constitution Water cannot be classed under "quack" preparations, as it is now used by the most scientific practitioners in the city. It is only second-class physicians that cry down popular remedies, while the better skilled make use of every means to accomplish a cure; and the success of the physician increases as his knowledge of different remedies enables him to produce a cure, while others fail in the attempt.—Science is satisfied with the truth.

Give Constitution Water a fair trial—we mean you who are under some spectal stris care from yesr to year, and we particularly allude to ladies who are constantly resorting to LOCAL TREATMENT, and all sorts of local applications for diseases, with as much chance of success as there would be from local applications to the throat for diseases of the brain.

We have always been careful to use language in our circular that could not shock the most delicate organization, but we receive many communications from persons for whom Constitution Water is adapted, and of whose disease no mention has been made, that we have come to the conclusion that if the remedy is capable of producing a cure, no matter what the disease may be, it should be made known. The medicine is put up for the public and there should be no exceptions.

DIABETES

Is a disease of the stomach and liver, acting through the kidneys, and is without doubt, the most obstinate disease, except Consumption, that affects the human constitution. We have no space for discussing causes, but will state that the effect of the disease is the conversion of the starchy principle (or vegetable portion of the food) into sugar, which stimulates the kidneys to an excessive secretion of water. Many persons suffer from this disease who are ignorant of it; that is, they pass large quantities during the day, and are obliged to get up from one to fifteen or twenty times during the night. No notice is taken of it until their attention is called to the large discharge of water, and often when it is so far advanced as to be beyond the control of ordinary remedies. Another symptom is the great thirst, which, when the disease is fully established, is intolerable—the patient drinks constantly without being satisfied; also dryness of the mouth, cracking of the lips, a sweet breath, in the more advances cases, and finally loss of appetite, emaciation, and the patient gradually sinks from exhaustion.

CONSTITUTION WATER is, without doubt, the only known remedy for diabetes, and we have as much confidence that it is a specific as we have that opium will produce sleep, and truthfully say that it has cured every case in which it has been used.

For these diseases it is truly a sovereign remedy, and too much cannot be said in its praise. A single lose has been known to relieve the most urgent symtoms.

I was obliged to get up as often as ten or twelve tims during the night, and in five months I lost fifty pounds in weight. During the month of July, 1881. I procured two bottles of Constitution Water, and in two days after using it I experienced relief, and after taking two bottles I was entirely cured, soon after regaining my usual good health. "I had for several years a very troublesome hunor in my face, which grew constantly worse until

From J. E. Johnston, Esq., Wakeman, Ohio.

"For twelve years I had the yellow Erysipelas on
my right arm, during which time I tried all the celchrated physicians I could reach, and took hundreds
of dollars' worth of medicines. The ulcers were so
bad that the cords became visible, and the doctors
decided that my arm must be amputated. I began
taking your Sansapanilla. Took two bottles, and
some of your Pills. Together they have cured me,
I m now as well and sound as any body. Being in a
public place, my case is known to everybody in this
community, and excites the wonder of all."

for general debitity, and for purifying the blood,
with very beneficial results, and feel confidence in
commending it to the afflicted." St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes. Scald Head, Sore Eyes.

From Harrey Sickler, Esq., the able relitor of the Tunckhanneck Democrat. Pennsylvania.

Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loatheane and circular sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of eilver and other temedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the lestering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your Satsapanilla, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as? "thy and fair as any other The whole neighborhoom predicted that the child must die."

Syphilis and Mercurial Disease. From Dr. Hiram Sloat, of St. Lonis, Missouri

remedy for the secondary symptoms of Syphilis,
and for syphilitic disease than any other we possess.
The profession are indebted to you for some of the
best medicines we have."

From A. J. Frénch, M. D., an eminent physician of Lauvence, Mass., who is a prominent member of the Legislature of Measurchusetts.

"Dn. Aven — My dear Sir: I have found your Sarisan and seemedary type, and effectual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful afterative is required."

Mr. Chas S. Van Lieve, of New Brunsweck, N. J., had dreadful abors on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the perrevering use of Aven's Sansarakit. La relieved him Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to care him.

application of local remedics.

From the well-known and widely-velebrated Dr.
Jaceb Morrill, of Chechnati.

"I have found your Sansarahilla an excellent alterative in diseases of females. Many cases of irregularity, Leucorrheza, Internal Ulceration, and local debility, arising from the scrotalous diathesis, have yielded to it, and there are few that do not, when itseffect is properly aided by local treatment.

A lady, unwilling to allow the publication of her name, writes: "My daughter and myself have been cured of a very debilitating Leucorrhom of long standing, by two bottles of your Sansaramilla."

Rheumatism, Gout, Liver Complaint, Dys-popsis, Heart Disease, Neuralgia,
